## FIRST CHURCH OF CHRIST, SCIENTIST

1208 El Prado.  
 Sunday morning services at 11. Sunday school, 9:30 Wednesday evening meeting, 8 p. m. Reading room in church office.

This verse from Jude, "Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life," is the Golden Text in the Lesson-Sermon on "Love" on Sunday in all Churches of Christ, Scientist.

The Lesson-Sermon includes this passage from Malachi: "Have we not all one father? hath not one God created us? These verses about Jesus from Matthew are also presented: "Then one said unto him, Behold, my mother and my brethren stand without, desiring to speak with thee. But he answered and said unto him that told him, 'Who is my mother? and who are my brethren? And he stretched forth his hand toward his disciples, and said, Behold my mother and my brethren.' For whosoever shall do the will of my Father which is in heaven, the same is my brother, and sister, and mother."

Among the selections from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, are the statements: "In Science man is the offspring of Spirit. The beautiful, good, and pure constitute his ancestry. His origin is not, like that of mortals, in brute instinct, nor does he pass through material conditions prior to reaching intelligence. Spirit is his primitive and ultimate source of being; God is his Father, and Life is the law of his being."

## Union Vesper Service in City Park Sunday

For the first time this year the local Ministerial Union will hold a union vesper service at the city park bandstand, Sunday evening at 5:30 o'clock.

The speaker will be Rev. Claude Young, pastor of the Redondo Methodist church, known to many local people as the brother of Rev. Robert Young, a former pastor here.

A musical program is being arranged and several pastors will participate. There will be services in some of the churches at the regular evening hour, but in others this meeting will be the only evening worship service. Several local ministers have long felt that the city park was an excellent setting for union church services in the open. They invite all local residents to indicate their desire for future meetings of this kind. The Sunday evenings in August and the first Sunday in September will see union services in the Civic Auditorium.

Monday at his home. He was 76 years of age, a native of Waterloo, Wis., and a retired farmer. Mr. Brawn was survived by his wife, Mrs. Lizzie C. Brown; two daughters, Mrs. O. P. McQuiston of Lomita and Mrs. Lloyd Blackburn of Wisconsin, and two sons, Edward and Archie of Lomita.

Funeral rites were conducted yesterday afternoon at A. M. Gamby's Mortuary with Rev. Swift of Wilmington officiating. Cremation followed at Pacific Crest.

Ellis Island once was famous as a place where pirates were hanged and for years was called Gibbet Island for that reason.
